

General Information

Felsenthal National Wildlife Refuge, established in 1975, is located in the Felsenthal Basin of south central Arkansas. Public hunting and fishing is permitted on approximately 64,000 acres during specific times of the year. Special arrangements can be made to accommodate persons with bona fide disabilities by contacting the refuge office.

Individuals utilizing the refuge are subject to inspections of permits, licenses, hunting equipment, bag limits, boats, vehicles, and their contents by refuge or state officers.

To ensure your safety and enjoyment while visiting Felsenthal, please take the time to become familiar with the following regulations.

General Refuge Regulations

The regulations below supplement the general regulations which govern hunting on national wildlife refuges as set forth in Title 50, Code of Federal Regulations . Hunting and fishing will be in accordance with applicable State regulations subject to the following conditions:

Weapons

Firearms, archery tackle, and crossbows are permitted only during designated hunts.

All weapons within 100 yards of a campground must be unloaded. All weapons transported in any land vehicle or boat under power must be unloaded and encased or dismantled (loaded is defined as shells in gun or cap on muzzleloader). Archery tackle and crossbows must be uncocked with arrow unnoocked from string. Only .22 caliber rimfire rifles and shotguns are permitted except during the muzzleloader and gun deer hunts.

Ammunition

Possession of shot larger than that legal for waterfowl hunting is

prohibited; use or possession of lead shot is prohibited refuge wide.

Exception:
During the quota deer and turkey hunts, lead ammunition legal for taking deer and turkey may be used.

Small game, furbearers and feral hogs, beaver; nutria, and coyotes may be hunted with .22 caliber rimfire lead ammunition during open season.

Permits are required for all refuge hunts.
When signed and in your possession, the general hunt permit on the front of this brochure serves as your permit for all refuge hunts. **Gun deer** hunts and **gun turkey** hunts require a quota hunt permit.

To apply for a quota hunt permit
Print or type your name, address, and birth date on one side of a 3x5 index card or standard postcard.

Indicate the hunt date for which you are applying opposite your name. You can apply for only one deer hunt and one turkey hunt.

To apply as a group (**maximum of five hunters per group for deer hunts, two hunters per group for turkey hunts**), list required information for all applicants on the same card.

Return completed application(s) to the refuge office by August 15 for deer and February 28 for turkey. Note: Turkey hunt applications will not be accepted until January, 2001.

Turkey Youth Hunt: Only youths under the age of 16 (age at opening of statewide Turkey season) can apply by providing the required information listed above. **Do not** list an adult on the application.

Duplicated, unclear or incomplete applications will not be considered.

Felsenthal National Wildlife Refuge
General Hunt Permit 2000-2001

Note: No permit required for sport fishing. General hunt permit required for **all** hunting. **Quota** permit required for muzzleloader, gun deer and gun turkey hunts.

I have read and understand these refuge regulations.

Signature of Hunter

This permit is valid only when signed above by the hunter and must be carried on hunter’s person.

(cut out if desired)

Applicants will be selected via random drawing. Only applicants selected will be notified and upon notification, they must submit a \$12.50 fee before receiving a hunt permit.

Motorized Vehicles

All motor vehicles are restricted to roads that are delineated on refuge map. Exceptions: Standard manufacturer's high flotation all-terrain vehicles or ATV's (3,4-wheelers and Hustlers) with a maximum tire pressure of 5 psi are permitted only on trails designated by ATV signs and marked with yellow or blue paint. Blue painted trails are open year round. Yellow painted trails are open from 9/29/2000 - January 31, 2001.

ATV's are allowed only for wildlife dependent activities. ATV's are not allowed on any improved road open to conventional vehicles. The maximum legal speed for any land vehicle is 35 mph. ATV's may be used on unimproved roads open to vehicle traffic (see map).

Animals/Pets

Dogs are allowed for hunting migratory birds, quail, squirrel, rabbit and raccoons/opossum during designated seasons only. Other dogs and pets must be confined or on a leash. Horses are prohibited during the muzzleloader and gun deer hunts. At other times, horses may be used on roads open to vehicles and trails open to ATV's to reach areas open to hunting or fishing. Firearms transported on horses must be unloaded and encased.

Camping

Camping (including overnight houseboat use) is permitted only in designated primitive camping areas and in conjunction with on-refuge wildlife-dependant activities (see map).

Camping area entrances are marked by signing and boundaries are marked with orange paint. Campers may stay no more than fourteen days during any 30 consecutive-day period in any campground. Camps must be occupied daily. All disturbances, including the use of generators, are prohibited after 10 pm. Camping on the refuge while hunting off the refuge is not permitted.

Fires

Permitted only in camping areas and must be attended. Only downed wood may be used for fires. **Caution: During periods of high fire danger all fires may be prohibited.**

Prohibited Activities

Littering

Spotlighting - artificial light may not be used to locate wildlife.

Baiting or hunting over bait, salt or any attractant.

Hunting within 150 feet of roads, ATV and hiking trails.

Target practice

Use or possession of alcohol beverages while hunting is prohibited. Consumption of alcohol in plain view in campgrounds, parking lots and on roadways is also prohibited.

Taking of wildlife or plants (including cutting trees or brush) other than specified in this brochure.

Drive or screw a nail, spike or other metal object into a tree or to hunt from any tree in which such an object has been driven.

Searching for or removing any object of antiquity including arrowheads, pottery or other artifacts.

Blocking gates or roadways with vehicles.

Marking trails with tape, reflective devices, ribbons, or paint. Use of biodegradable materials to mark trails is permitted.

Possession of a deer or any weapon on the refuge during a quota deer hunt without a valid quota permit.

Specific Hunting Regulations (see map)

State bag limits apply unless otherwise noted. Only those species listed in this brochure may be taken.

A legal buck on all refuge deer hunts is defined as a deer having a minimum of a two inch, hardened antler.

Areas posted with "No Hunting Zone" signs are closed to all hunting; possession of a loaded firearm is prohibited.

Waterfowl Sanctuary - Posted with "Area Closed" signs; Closed to all public entry during regular duck hunting season .

The main channel of the Ouachita River and the borrow pits along U.S. Highway 82 are open for navigation and fishing year-round.

All public use, except fishing and access for fishing, closed during quota permit hunts.

Deer taken on quota hunts must be checked at a refuge check station on same day killed.

Any hunter under 16 years of age must possess proof of completion of an approved Hunter Safety Course and be accompanied (in sight and in normal voice contact) at all times by an adult 21 or older. Each adult can supervise only one youth during big game hunts and no more than two youths during all other hunts.

Only portable deer stands may be used. Stands may be erected two days before each hunt and must be removed within two days after each hunt.

Sportfishing and Frogging Regulations

Sportfishing, frogging, and taking of turtles and crawfish for personal use are permitted in all refuge waters in accordance with State regulations. Permits are not required. Within the waterfowl sanctuary during the regular duck season, these activities are restricted to the main channel of the Ouachita River and borrow pits along US Hwy. 82 (see map). Trotlines must be secured with cotton line which extends into the water. Commercial fishing requires a special permit issued at the refuge office.

Caution

Due to elevated levels of mercury in fish, the Arkansas Dept. of Health advises caution in the consumption of some species of fish from refuge waters. Call (501) 661 2000 for more information.
